Stevens will be competing in the 20-kilometer race walk competition.

Last week, Garamendi met with Stevens and her family in Davis to present her with a Congressional Commendation.

“It was a pleasure to present Robyn Stevens with a Congressional Commendation to recognize her commitment to honest competition and the countless hours she has spent earning the opportunity to represent our nation at the Tokyo Olympics,” Garamendi said in a press statement. “Her dedication and achievement will inspire others in her community to pursue their dreams and passions.

“She will represent Vacaville and our nation well in Tokyo, and I know I speak on behalf of the people of California’s 3rd Congressional District when I extend my sincere congratulations to Robyn as well as my best wishes for her success during the upcoming competition. We are all cheering for you!”
